HAPPYVALE SCHOOL OPENS TODAY

Happyvale School for mentally retarded children is all set for its official opening, scheduled for 1:45 p.m. today. Harley McCord, president of Penticton Kinsmen club, admires the new school, constructed by his club in Kinsmen Park on Edmonton avenue. The trim, smartly decorated building includes a classroom, a playroom and a kitchen.

Liberal Chieftains Rap Tory Administration

OTTAWA (CP) — Premier Lester B. Pearson today said the Progressive Conservatives are "building their own graveyard." Liberal Leader Arthur Laing of British Columbia said Prime Minister Diefenbaker has embarked on "dangerous fiscal experiments" to strengthen the internal economy without regard for maintaining vital export markets. These were some of the comments of provincial Liberal chieftains in a round of opening speeches at the three-day national advisory council meeting.

They praised Liberal Leader Lester B. Pearson, berated party opponents and called for measures to strengthen party organization.

Mr. Pearson, in his welcoming remarks, said the "temporary disaster" in the March 31 general election has left the party's unity unshaken.

The party, with only 48 members in the 265-seat Commons, was "on the march."

TO ELECT PRESIDENT

Main purpose of the 260-member council meeting was to select a new president to replace retiring Duncan K. MacTavish of Ottawa and to name a number of vice-presidents. The new executive likely will be armed with power to appoint a full-time organization director.

Mr. Pearson said he hopes the council will meet more often and with an enlarged membership. The party needed more organization and "we are going to do something about it."

Mr. Matheson said the present Conservative administration is "in so many difficulties and digging so many pits" that Liberals might soon get back to office. The Conservatives were "building their own graveyard."

A. H. MacDonald, Saskatchewan Liberal leader, said the party should consider broadening its base to prevent the emergence of a "third political party" in Canada. He said his party will eliminate socialism and the CCF government in Saskatchewan in 1960.

Abe W. Miller of Edmonton, speaking for Alberta Liberals, described the Alberta Social Credit government as a "dictatorship" because it was plucking municipal sites for homes for the aged without recourse to the legislature.

20 Hurt in CPR Train Derailment

VANCOUVER (CP) — The Dominion, one of CPR's transcontinental passenger trains, struck a big, wet, mud and rock slide early Sunday near Haig, B.C., 90 miles east of here. Four cars were derailed.

Twenty persons were injured. Three were taken to hospital at Chilliwack for treatment. The railway said none was severely hurt.

The derailment occurred at 6:20 A.M. Sunday as the west-bound Dominion moved through a rock cut on the main East-West line.

Among the passengers were Lieutenant-Governor Frank Bastedo of Saskatchewan and Mrs. Bastedo who were en route to Vancouver to be guests of Lieutenant-Governor Frank Ross of B.C. The Bastedos were not injured. They were in the last car, which was not derailed.

Mr. Bastedo said he first heard a scream of brakes followed by a terrific bang.

"My wife," he said, "was thrown clean out of bed and I was thrown up against the headboard, but our coach was not derailed."

A provincial government car picked them up at Yale and brought them here.

FALL DOWN BANK

The four diesel units at the head of the train plowed through about 40 feet of the slide before leaving the track and plunging 50 feet down a tree-studded embankment. They came to rest 150 feet above the swirling Fraser River.

The 17th coach, a sleeper, and the 18th, a dome car, left the track but did not go over the embankment.

The 35-year-old fireman, John MacMillan, said it was all over in a few seconds that seemed like three weeks. Neither he nor engineer Gordon Folkerson was injured. They switched off the fuel lead and boilers as a precaution against explosion, then clambered up to the track.

Buses brought the stranded passengers to Vancouver. The train carried 142 passengers.

A work train was dispatched from North Bend, B.C., to open the line which was cleared Sunday night.

The Canadian, which had been travelling behind the Dominion, arrived here at 12:40 a.m. today, nearly 15 hours late. It turned around and almost immediately began its eastbound run, about five hours late.

Inquest into Valley Traffic Death Adjourned

KELOWNA (CP) — An inquest into the death of Mrs. Karl A. Carlson of Okanagan Mission, killed in a traffic accident last Friday, opened here Saturday and then adjourned until Friday. Five other persons were injured in the accident in which Mrs. Carlson died, near the Kelowna Post Office at about midnight last Friday.

Mr. Carlson, also injured in the accident, is in hospital where his condition is "unchanged but not good."

Other occupants of a second car in the head-on collision, Shirley Maclean and Carol Prior, both 18, are also in hospital. A driver of their vehicle, a 10-year-old from Kelowna and Roy Rouser, another passenger were allowed to go home after the accident.

Vancouver Man Guilty of Passing Forged Cheque

George Noland, 46, Vancouver, pleaded guilty in Penticton Police Court this morning to a charge of passing a forged cheque.

He was remanded by Magistrate H. J. Jennings to November 25 for sentence.

Court was told that Noland passed a worthless cheque in the amount of \$50 at the Hillside Grocery on Vancouver Avenue in Penticton on August 33. The cheque was used to pay for \$55 worth of groceries and \$45 in cash was handed back to Noland.

Noland told court that he had been having a rough time this summer, being out of work and travelling around.

RETURNS HOME

Reeve F. E. Atkinson of Sumnerland who with Mrs. Atkinson arrived home on Saturday by air after two months in Europe. Mr. Atkinson, who is the officer in charge of the fruit and vegetable processing laboratory at Sumnerland Experimental Farm, was sent by the Canada Department of Agriculture to visit similar stations in France, Switzerland, Holland, Sweden and Great Britain to exchange ideas on fruit processing and cider making. The scientist also visited experimental farms in Nova Scotia en route home.

FREIGHT RATE BOOST TO HIKE GROWERS' COSTS

Mayor Urges Aldermen to Reconsider

Mayor C. E. Oliver today expressed the hope that Ald. H. M. Geddes and Ald. F. P. McPherson, who have announced that they will not run for re-election in Penticton's civic elections next month, will reconsider their decisions.

"I would like to see the present council continue in office," the mayor said. "Our worst battles are over and with the present council's experience, I feel the city could make great strides ahead. I hope Ald. Geddes and Ald. McPherson reconsider and run for re-election."

His comment came just two weeks before civic nomination day, Dec. 1.

So far only one candidate has emerged for the three aldermanic vacancies that are at stake this year. This is Ald. F. P. Erout, who has announced his intention to seek re-election.

No other candidates have so far announced their intentions.

City Clerk H. G. Andrew, who has been named returning officer for the city elections, explained today that nomination papers can be filed with him any time after the notice of election appears in the press tomorrow. Deadline for filing of nominations is 12 noon, Dec. 1. If there are more candidates nominated than there are vacancies to be filled, the election will be held Dec. 11 in the Jermyn Avenue Scout Hall.

Constable Tells Of Investigation Into Pole Blast

VERNON — The trial of five young men charged with conspiracy to make an explosive subterranean cause property damage resumed here this morning.

RCMP Const. A. M. Hanson, Armstrong testified how he had carried out a patrol with the senior NCO after the early morning explosion had been heard, severing a power pole near Armstrong June 29.

Nothing was uncovered, however, until 9 p.m. that evening when a B.C. Power Commission employee reported finding a power pole severed close to Highway 97E.

Const. Hanson told Mr. Justice Arthur Lord, who is presiding at the Vernon assizes of the B.C. Supreme Court, and the jury of 11 men and one woman, of finding pieces of a paper bag, detonator cap, pieces of wire, metal, believed to be part of a wrist watch—and what was believed to be fragments of a lead pipe.

On trial are John Antufear, 24; George Woykin, 22; John Nazroff, 21; Sam Konkin, 23; and Alex Konkin, 26. They are all charged with conspiracy to make an explosive substance and damage property. The Konkin brothers are also charged with unlawfully having explosives in their possession.

Due to the cold weather or growing disinterest the number of persons in the gallery was the smallest since the trial opened last Wednesday.

Teachers' Wage Dispute Will go To Arbitration

The teachers' salary dispute in Penticton School District 15 must now be settled by arbitration with the failure of conciliation to promote an agreement by the Nov. 15 deadline (last Saturday).

Both school trustees and teachers have 14 Nov. 25 to name a representative to the three-man arbitration board. Third board member is the chairman chosen by the representatives named by trustees and teachers.

The teachers are asking for salary increases amounting to approximately 12.8 per cent. In refusing this raise, the school board has offered a \$250 per year increase across the board which is roughly 6.1 per cent. This would increase the district's teachers' salary bill by \$28,750 for the present 115 teachers.

CAIRO (AP) — The Sudan radio announced today the Sudanese army commander-in-chief, Gen. Ibrahim Abboud, has seized power in a coup d'etat.

COMPLETES TRAINING

Flight Cadet H. Luxton, 26, the son of Mrs. K. G. Luxton, RR 1, Oliver, is preparing for a training flight on the Silver Star aircraft, prior to the graduation ceremonies which will be held on November 21, 1958, at RCAF Station Macdonald, Manitoba, when he receives his pilot's badge, after completing sixteen weeks of arduous training.

Russia Proposes Nuclear Treaties

GENEVA (AP) — "Russia offered today to negotiate two separate treaties for banning nuclear tests and for controlling the arms—and suggested the agreement be signed simultaneously."

Soviet delegate Semyon Tsa-rapkin made the proposal at three-power talks on nuclear test suspension.

His proposal failed to meet a basic requirement in these talks—the linking of test suspension to a control system in one treaty. The two-treaty approach ad-vanced by the Russians raises the danger that the United States, Britain and the Soviet Union would commit themselves to a document promising to end tests but never be able to get a control system functioning, Western sources said.

Women Score Slick Advertising, Fancy Packages

OTTAWA (CP) — Federal action was demanded today to ensure that Canadian women get "true value" in merchandising instead of slick advertising and fancy packages.

In a brief to the Stewart royal commission on price spreads of food products, the National Council of Women of Canada recommended the government set up a consumer department specializing in information and statistics. The council, representing 700,000 women, also called for federal and provincial regulations to ensure "defined standards" of quality in consumer goods. Trained and adequate staff must be maintained to enforce high standards of processing and storage of food products.

With retail sales in 1957 amounting to \$14,000,000,000, the brief said statistics should be published relating to conditions of supply, processing, distribution and production of consumer goods, especially food.

The council had part words on promotion and packing.

"Women seek the right to choose a product on the basis of true value," the submission said. They did not want expensive giveaways and gimmicks. They resented radio and television commercials, which they described as often childish, repetitious and annoying. They hoped the "something-for-nothing" period was nearly over.

Board Approves 17 Percent Rise

KELOWNA — British Columbia fruit growers may have to absorb an additional \$250,000 per crop year in freight costs if a rail transport board hike of 17 per cent is established. The only way it can be avoided is through emergency assistance granted by the federal government.

This jolting news was the opinion of B.C. Tree Fruits transport expert, Steve Webster.

Mr. Webster said today this "could be very serious news for the B.C. fruit industry."

"We have not yet received official advice from Ottawa and we are still waiting for special consideration by way of exemption," Mr. Webster said.

He added that an appeal had been made to Ottawa only last Thursday "and we understand that eight provinces, excluding Ontario and Quebec, but including B.C., are doing all they can to oppose any new increase."

Mr. Webster added that no news had been received from Ottawa regarding the equalization case pursuant to hearings in Kelowna last March and in Ottawa last June and that the board has evidently given priority handling to the later application of the railways for the increase.

By JOHN LeBLANC
Canadian Press Staff Writer
OTTAWA (CP) — A general freight rate increase of 17 per cent was authorized today by the board of transport commissioners indicating possibility of settlement of the general rail strike called for Dec. 1.

The railways had asked for 19 per cent.

The increase, worth some \$60,000,000 a year to the major railways, will be permitted under board order to go into effect on the exact date set for the strike of 135,000 non-operating employees.

But while the permitted boost appears enough to take care of union wage demands on the railways and allow a settlement, this could be thrown out by one of two factors.

First, the cabinet could toss out the board increase. The cabinet is almost certain to have on its hands, in the next couple of days, an appeal against the increase from eight provinces—all except Ontario and Quebec.

SOME SPECULATION
Second, there is some speculation that the railways will not settle before Dec. 1 because of unwillingness to sign a wage contract of this magnitude without having the freight increases actually in effect.

The 15 unions representing the Acting Prime Minister Green said today he presumes that the cabinet Tuesday will consider the general 17-percent freight rate increase authorized by the board of transport commissioners. He also plans to inform Prime Minister Diefenbaker of the increase by telephone, perhaps today. Mr. Diefenbaker is in Pakistan.

Union Leader to Meet Rail Officials

MONTREAL (CP) — The major railways called union leader Frank Hall to a special conference at 4 p.m. EST today to discuss a strike threat of 130,000 non-operating railway workers set for Dec. 1.

TODAY'S BULLETINS

U.S. Protests Dangerous Red Air Attacks

WASHINGTON (AP) — The United States charged today that Russian fighters staged "dangerous and provocative" attacks against American planes 10 days ago over the Baltic Sea and the Sea of Japan. A formal note demanded that the Soviet government take immediate steps to halt such interference.

Appeal to Cabinet Against Phone Rate

OTTAWA (CP) — Forty-one Quebec and Ontario municipalities and eight provinces today appealed to the Cabinet against a rate increase awarded the Bell Telephone Company Oct. 10 by the Board of Transport Commissioners. The appeal was heard by Cabinet behind closed doors in a committee room in the Centre Block of the Parliament Buildings. Before the hearing started several Cabinet ministers said they expect Cabinet will be able to announce a decision on the appeal within a short time.

Crown Zellerbach Buys Paper Firm

WINNIPEG (CP) — Sale of Clark Papers Limited, a distributor of coarse and fine paper products in Western Canada, to Crown Zellerbach Canada Limited, was announced today by M. E. Miller of Vancouver, president of Clark Papers. The sale, affecting offices and warehouses in Calgary, Edmonton, Regina, Saskatoon and Winnipeg, was effective Saturday. Purchase price was not stated.

CABINET SESSION

Acting Prime Minister Green said today he presumes that the cabinet Tuesday will consider the general 17-percent freight rate increase authorized by the board of transport commissioners. He also plans to inform Prime Minister Diefenbaker of the increase by telephone, perhaps today. Mr. Diefenbaker is in Pakistan.

McNEILL TALKS FOR CPR

Heading the railway negotiating team will be D. I. McNeill of the CPR and W. T. Wilson of the CNR. They are both vice-presidents in charge of railway personnel. Mr. Hall will lead the union delegation.

Before being called to the meeting, Mr. Hall told reporters that union strike orders for Dec. 1 can be rescinded if and when an agreement on wages is reached with the major railways.

Liquor Conviction Appeal Case Opens

An appeal against a conviction on a charge of supplying liquor to minors opened in Penticton County Court before Judge M. M. Colquhoun this morning.

Appellant is Theodore Solein of Oliver. The charge arose from an incident in Oliver on August 14.

Defence counsel is Gordon Hall-crow. Frank Christian is representing the Crown.

SAVES LIFE OF PLAYMATE

ONLY THREE years old, Graham Roden, right, had the presence of mind to save the life of his friend, Michael Roden, age two. The two boys were playing on the Meadowbrook Golf Club near Hamilton, Ont., when Michael fell into a pool of water. Graham reached down and held him out of the water as long as he could. Then he shouted lustily for help and, though it took an inhalator to revive Michael, he is now as well as ever.

Fired Power Chief Has No Political Ambitions

VICTORIA (CP) — H. Lee Briggs, the civil servant who rocked British Columbia last week with a four-round broadside at the provincial government, says he wants nothing to do with politics.

Mr. Briggs, fired from his \$25,000-a-year post as general manager of the British Columbia Power Commission, said today in still another statement:

"I have no political ambitions whatsoever and will not consent to run for public office. My personality and tastes are not suited to that calling."

He said he is anxious to retire into the background.

NOT LIKELY

It appeared unlikely he would be able to do so as the CCF party took up his charges against the Social Credit government with a call for a full legislative investigation.

Said CCF Leader Robert Strachan:

"A man does not put a job of that kind on the line unless there is a strong principle involved."

Mr. Briggs laid his job on the line with his first statement last Wednesday, which accused Premier Bennett and his government of juggling commission findings to fulfill a political promise to have B.C. free of debt by 1960.

A former senior executive of the power commission supported this claim. J. A. Christie, who resigned three months ago as the commission's financial manager, said in an interview Saturday he agrees with Mr. Briggs' allegation.

The 55-year-old Manitoba-born power chief followed his first statement up with three more criticizing the high offices held by former finance minister Elmer M. Gunderson; alleging illegal earnings by the B.C. Electric Company; and criticizing arrangements made by the government with the Wenner-Gren interests for 17 d92qyvvent of Northern B.C.

Mr. Briggs was fired by the power commission Friday. He had said that if he lost his job he would stomp the province.

Today he said:

"The time has now come for me to establish clearly the course of action which hereafter I propose to follow."

"Except to defend my contentions, which I am prepared to do to the utmost, I am most anxious from this point on to withdraw entirely into the background. I ask and indeed beg of the members of the press and others that they consider my part of this distasteful job as done and finished."

Mr. Strachan said it is obvious "Premier Bennett's shenanigans was too much for Mr. Briggs' professional ethics."

He said he will move for establishment of a special committee of the legislature to investigate the whole affair when it meets in January.

Meanwhile, it was reported R. C. McMordie, the power commission's chief engineer, would be named today to replace Mr. Briggs as general manager.

Mr. Briggs is said to have had one job offer from an electrical company in Eastern Canada but is expected to turn it down.

"I expect to stay in Victoria for a time," he said.

In today's statement he said: "I do not have, and refuse to have, any political affiliations whatsoever. Henceforth I only hope that it will be possible for me simply to carry on in the type of work in the electric power field for which I have had a lifetime of training and experience, and which gives me great inward satisfaction."

Advances Theory On Aborigines' Peg-Leg Stance

DARWIN, Australia (Reuters) — A Sydney orthopaedic surgeon believes he has found the reason why Australian Aborigines while resting stand on one leg like storks.

"It is something inherent in their character—an alert defensive resting position which has been handed down since the beginning of time," the surgeon said.

Dr. S. H. Scougall began his study into the strange phenomenon two years ago. The riddle of the Aborigines' peg-leg stance has baffled historians and anthropologists for almost 100 years.

It is a common sight in the Australian back country to see an Aborigine standing free of support on one leg with the other tucked underneath him. Quite often he is fast asleep.

Now, Dr. Scougall believes he has found the answer to the puzzle.

"In the long-ago days of the Aborigine's tribal jealousies and wars, he always had to be alert and wide awake for sudden attack."

"He found that the only way he could get any rest was to sleep while standing... but to be instantly awake whenever danger threatened. He discovered he could not sleep resting against a tree because of the possibility of an enemy taking him unaware from behind."

"So he adopted this weird peg-leg stance which he found more restful than standing on two feet. The muscles employed in a normal stance were not used and

therefore allowed more rest."

Dr. Scougall said he recently conducted a test on six white ballet dancers at Sydney University. The result: They could stand on one leg indefinitely.

"But the Aborigine falls down after about three-quarters of an hour. This just proves that whites in fact are better equipped for this strange resting position than the natives."

It is important to have a chest x-ray regularly as this is the only way active TB can be found so doctors can study the photo of your lungs. If the disease is found in its early state, the doctors, with the help of modern drugs, can clear it up very quickly.

What is gathered around
the world for you...each day?

ANSWER: NEWS. The daily newspaper is the focal point for news reports from all around the world—and just around the corner. It's an exciting business gathering the news and then printing it and sending it out in the daily newspaper to just about everyone in any community. And it is all accomplished in a matter of only a few hours. It's the excitement and immediacy of the daily newspaper that makes it eagerly read every day—and makes it one of the big reasons why advertisers use it.

MR. AND MRS. JOHN M. THOMAS

EAST OF OKANAGAN FALLS

Pioneer Ranch Back In Thomas Family

By MRS. C. L. BADGLEY
I sat visiting with Mr. and Mrs. John M. Thomas in their home in Okanagan Falls, one afternoon recently, when I heard an interesting story about old times, a ranch with a beautiful name and

how after many years, this ranch once again belongs to the family. John M. Thomas first came to Vernon on April 15, 1898 and on June 23 of that same year, hired to come and work for the late Mr. Tom Ellis as foreman of the old Dog Lake Ellis Ranch and it is in that same house that Mr. and Mrs. Thomas now make their home.

In the spring of 1901, Mr. Thomas purchased the ranch known as "Mandalay," situated on the bench lands east of Okanagan Falls. Mr. Thomas tells how the old house on the property was so infested with vermin, he was forced to build a home immediately. He purchased the building at Okanagan Falls which had housed the only newspaper ever published there. This building was moved to Mandalay and with that as a nucleus, he built the home which is in use today.

On December 18, 1912, John Thomas and Ethel Hawthorne were married at the Hawthorne ranch, which is now owned by Major Hugh Fraser and is known as S.Y.L. Ethel was the oldest daughter of the late Mr. and Mrs. George Hawthorne, she had come with her parents to the Valley in the spring of 1908, settling on the ranch in October of the same year. Mr. Thomas took his bride to Mandalay which was their first home together. Here their two oldest children, Evelyn and George, were born.

In 1917 Mr. Thomas, realizing that he was over three miles from the school in Okanagan Falls and had a young family who would soon be needing that school, purchased the thirty-two acres in Okanagan Falls that he had formerly managed for the late Mr. Tom Ellis. Not until the spring of 1920, did the Thomas family leave Mandalay, having sold it to a Mr. George Culver.

So in the twilight years of their lives, Mr. and Mrs. Thomas have been made happy in the knowledge that once again Mandalay belongs to the Thomas family. There are seven children in the Thomas family, three daughters, Evelyn (Mrs. Johnny Thompson), Okanagan Falls; Vivian (Pat) (Mrs. Peter Topham), Peachland; and Doreen (Dolly) (Mrs. Angus Duncan), Okanagan Falls, and the four sons. All living in the Okanagan they are able to gather frequently at the old home, which is the centre of many family reunions.

Poppy Day Proceeds \$60 at Peachland
PEACHLAND — A very enjoyable and informal evening was spent by 40 veterans and their wives, when they gathered at the Legion Hall to play cards, visit, and reminisce. At the close of the evening, refreshments were served. Remembrance Day was the first time the Legion Hall had been used since the program of repairs and renovations was launched.

L. B. Fuchs looked after the sale of poppies this year and reports that \$60.37 was realized, while several wreaths were disposed of and spray sales were in the neighborhood of \$14.

CITY & DISTRICT

Monday, November 17, 1958 THE PENTICTON HERALD 3

Local Control Area Urged at Oliver

OLIVER — At the Board of Trade meeting last week a letter was read from the arena association requesting that a committee be set up to formulate plans for asking the government to set up a district improvement area for fire protection, recreation and horticulture. The meeting felt these terms of reference were too broad and instructed that a letter be sent to the association suggesting that more de-

tailed information be received before consideration could be given. Board of Trade president Harold Potter reported that no firm decision had yet been received on the site of the new federal building. His opinion was that the site opposite the Roman Catholic church was the one favored. Mr. Potter also reported receipt of \$100 from the Department of Recreation as a contribution to the printing of tourist folders.

TALK OF THE VALLEY

WHO IS PESSIMISTIC?

A fellow from the Kootenays was overheard expounding at great length in a local cocktail establishment Saturday night, on the local situation as he saw it. "I detect a great deal of pessimism here," the salesman droned. We believe the guys sitting on either side of him were paying for all the drinks. When the group next got on the subject of the home town, the guy airily waved his swizzle stick and said, "Penticton will always be a place where people come to go swimming. Well, we wonder what's wrong with that. We hope more people come here—to do just that."

PEANUTS FOR OLIVER

The Oliver Air Cadets have asked Oliver and District residents to leave their porch lights on Wednesday night. That is to be the night of the annual peanut drive. Cadets hope to leave a packet of peanuts in every home.

ANNUAL FETE

The Penticton Golf and Country Club held its annual banquet and dance Saturday night at the S.S. Sycamore. A good crowd turned up to partake of cocktails, dinner and plenty of music.

ALL IN THE GAME

There are several local stalwarts who are walking somewhat more slowly today after the great soccer match at King's Park yesterday afternoon. In a thrilling

packed sequence (there were also a few laughs) the Herald All-Stars and the Old Timers went down to defeat at the hands (or feet) of the Penticton Rangers, 3-2, and 4-1. For some of us who spend most of our time either sitting down or lying down that final whistle took an awful long time to be blown.

ANNUAL PARLEY

R. G. Miller, treasurer of the Provincial Boy Scouts Association, will be the speaker at the annual meeting of the Central Okanagan Boy Scouts Association at Rutland on Wednesday. The gathering will again take the form of a dinner meeting and will be held in the High School cafeteria with the ladies of the women's auxiliary of the Rutland Boy Scouts group committee catering.

PRIZES AT FALL FAIR

Prize fruit and home cooking were the order of the day at the recent fall fair at Oyama. Most outstanding aspect of the fair was the decorated stalls and booths sponsored by local clubs and service organizations. Produce was judged and sold afterwards.

THREE IN RACE

Three candidates are in the running for the three aldermanic vacancies on Kamloops city council for 1959. New candidates are Gar J. Emery and William Dock-er. Ald. C. H. Day has announced he will seek re-election.

Summerland to Have School Dental Plan

SUMMERLAND—A preventive dental program for Grade One pupils will be started here in January by the school board in co-operation with the South Okanagan Health Unit and Dr. J. P. Ratzlaff, local dentist.

Pupils will receive necessary dental treatment at a critical age at a nominal cost to parents. Five years ago Summerland school board budgeted for such a plan but no local arrangements could be made.

Parents will be notified of the time of each appointment and will be asked to transport the child to the dentist's office where the work is to be done.

Treatment provided will be of a preventive type and does not include emergency or chronic cases.

Registration forms will be sent to parents from the principal's office, MacDonald School. These are to be filled in and returned with a fee of \$2. The school board is hoping that returns will be prompt so that the plan may commence at once in 1959 with the re-opening of school after the Christmas holidays.

Board Will Sponsor Christmas Home Light-Up Contest

SUMMERLAND — Dr. C. J. Bishop, exchange superintendent at the experimental farm, was guest speaker at the board of trade meeting last week, on the subject, "The Tourist Trade in Nova Scotia." He is the superintendent of the federal experimental farm at Kentville and has exchanged posts for a year with Dr. T. C. Anstey.

It was announced that the board will sponsor a Christmas home lighting contest again this year. Convener is E. O. White of the civic affairs committee.

Date of the annual banquet has been set for Jan. 29.

VANCOUVER (CP) — Police have been seen throwing a large can into the doorway of Beaver Lodge Rooms shortly before the fire swept through a downtown rooming house killing one man. The middle-aged man burned to death has been tentatively identified but police withheld his name.

TONIGHT is the ANNUAL MEETING

of the

Guess the cost of one page
of advertising... in one copy
of the daily newspaper!

ANSWER: ... JUST ABOUT A PENNY! In spite of greatly increased costs of production and moderate rate increases, you can still buy a big full-page newspaper ad, to run in every daily in Canada, for about a penny a copy. And an advertiser can continue to plan future newspaper campaigns secure in the knowledge that any cost increase will be moderate and will not disrupt his budget. That's why so many use newspapers.

Penticton  Herald

Say "Merry Christmas" with ROYAL BANK MONEY ORDERS!

A gift of cash is always welcome—and when you buy your money orders this year be sure to get them at your nearest Royal Bank branch. With each Royal Bank Money Order you'll get—at no extra cost—an envelope and a mailing folder in gay Christmas colours, with which to send your gift and personal greetings.

You can use Royal Bank Money Orders to send gifts of cash to friends or relatives in Canada, the U.S., Great Britain or The West Indies—and Royal Bank Drafts to send money elsewhere in the world.

THE ROYAL BANK OF CANADA

The Ability to Admit Mistakes is Absent

Premier W. A. C. Bennett has promised a defence of his power commission finances tonight. We hope it is both detailed and good. The people of B.C. need and deserve clarification of the present muddle provincial politics are in.

Mr. Bennett has said that last week's outburst by H. Lee Briggs was "a planned build-up of political propaganda and completely wrong."

Possibly he will prove this tonight. But we doubt it.

Crying "smear" is no new thing for the Social Credit party. Both Bennett and Attorney General Robert Bonner loosed the same lament when the Sommers' case started to boil two years ago. At that time they insisted that Mr. Sommers was being unjustly branded as a scoundrel and that the allegations made were all part of a political propaganda move.

The bar of justice has since established the fact that the allegations

made against Mr. Sommers were not only right, but far more serious than was at first thought.

Was any humility shown when the decision of the courts was handed down? Was there any desire by Bennett or Bonner to admit they had been mistaken and now stood corrected? There was not. Mr. Bennett and Mr. Bonner shrug off reminders of their early attitude with frightening nonchalance. As leaders they lack the greatest quality of all: The ability and integrity to admit their mistakes.

Now we have the Briggs' case. The same howls of protest, the same cry of "political propaganda."

It took two years to bring the Sommers' issue to public light and a final decision of opinion. It may take as long to clear up the Briggs' accusations. We shall not be surprised if it does, for Mr. Bennett and his government are past masters in the art of delay and confusion.

REPORT FROM THE U.K.

Road Constructed Over Rail Line

By M. MCINTYRE HOOD
Special London (England)
Correspondent for The Herald

LONDON — The ugly head of Fascism, as represented by the Sir Oswald Mosley Group, has again been trying to raise its head in England, but without success. Sir Oswald Mosley was head of the British blackshirts prior to the outbreak of the Second World War, and was for a time interned because of his activities during the war broke out.

Tuatara are Surviving Link Of Reptile Age

WELLINGTON, New Zealand (Reuters) — On a number of outlying islands north of Auckland, in the Bay of Plenty and in Cook Strait, are colonies of reptiles called tuataras.

They are the only surviving link in the world today of the age of reptiles.

The tuatara is not a lizard, although similar in many respects. It belongs to a group of reptiles called rhynchocephalia — meaning "beaked head"—which flourished in the triassic period of geology, from 155,000,000 to 190,000,000 years ago, when giant reptiles ruled the earth.

The tuatara has a backbone like a dinosaur, ribs like a tortoise, and a birdlike skull with an overhanging beak on the upper jaw.

It has a third "eye" in the centre of its forehead. Rows of spine run along the back. Nearly half of the tuatara's length — adults are usually about two feet long — is made up by the tail, which, like that of lizards, is capable of regenerating after a break.

The tuatara is a leisurely reptile, but when disturbed can move fast. Its life span is very long, certainly more than a century.

The phalangeal eye in the centre of the forehead is complete with lens and retina, but buried as it is beneath the skin, it can seemingly only tell the difference between light and darkness.

To the early vertebrates, it was no doubt important. While two eyes were used in the search for food on the ground, the third, more efficient than it is today, watched for danger from above.

WORDS OF THE WISE

The sword of the law should never fall but on those whose guilt is so apparent as to be pronounced by their friends as well as foes.

—(Jefferson).

To be what we are, and to become what we are capable of becoming, is the only end of life.

—(Robert Louis Stevenson).

Knowledge, in truth, is the great sun in the firmament. Life and power are scattered with all its beams.

—(Daniel Webster).

The only freedom which deserves the name, is that of pursuing our own good in our own way, so long as we do not attempt to deprive others of theirs, or impede their efforts to obtain it.

—(John Stuart Mill).

Pidgin English Useful Means of Communication

LONDON (AP) — Fella belong Mrs. Queen, he say pidgin English is still a useful means of communication.

The colonial office couldn't agree more. In places like the Solomon Islands which have several dozen different languages, everybody understands pidgin.

The administrative officers in local districts accordingly translate orders from London into pidgin so the natives can understand what is wanted of them.

The fella belong Mrs. Queen, of course, her husband, the Duke of Edinburgh. He was so described by natives he met on his Pacific tour two years ago. Recalling this in a speech to the English-Speaking Union, he called pidgin a splendid language.

Its origins, however, are far from splendid. Pidgin was developed by English traders of the 17th century as a means of talking business with the coastal Chinese. "Pidgin" itself is believed to be a Chinese corruption of "business."

The traders were mostly uneducated men who held the British view that a foreigner can understand English if you only shout it loudly enough at him.

The crews of the trading ships were illiterate types. They made extensive contributions to pidgin, especially in the obscenities.

"As a result," says the Encyclopaedia Britannica, "it is an unruly, bastard jargon, filled with nursery imbecilities, vulgarisms and corruptions."

Nevertheless it is spoken by millions of natives, both for communicating with English-speaking persons and for talking among themselves.

Satisfaction in Work Can Relieve Tension

By Herman N. Bundesen, M.D.

Work, believe it or not, actually can relieve tension. At least some kinds of work can.

Time and time again you have been advised about the value of playing or having a good time during your leisure hours to help reduce tension. And this still is excellent advice. You must relax, you must play and enjoy it to give your work-play time a proper balance.

But work itself can also be a good remedy for tension.

Dissatisfaction With Job

Stress on a job can very often be traced to a lack of satisfaction with the work. Perhaps you don't feel that the job is a great enough challenge, or maybe there is little or no chance for advancement.

It might be that the hours are too long or the wages too low to suit you. Maybe you are never complimented about your work. These circumstances, naturally, create stress and tension.

Prolonged tension can create bodily illnesses ranging from persistent fatigue to mucous colitis and spastic colon.

Major Role

If, however, your work is satisfying, it plays a major role in easing tension and in helping you maintain your mental health. In fact, many doctors say it is equal to that of play and relaxation.

Now, is your job satisfying, does it help you to release tension?

Work offers satisfaction when it provides an impression for our innate tendencies to create or to offer to others.

Routine work generally is not too satisfying. Most of us regard it as a routine job merely as a con-

tract for specific work to be completed by a specified time. It is only a job, a method of earning a living. To be satisfying, a job must involve more than the mere process of earning a living.

What Is Needed

It should include:

1. Winning of personal recognition by your boss — and by your fellow workers.

2. A personal satisfaction in displaying skills and mastering difficulties.

3. A personal pleasure derived from sustained performance and from participating with others in accomplishment.

4. Emotional satisfaction and contentment that extend beyond the process of making money.

If you have that kind of job, you are fortunate indeed. Your emotions are likely to remain on an even keel forever.

QUESTION AND ANSWER

D. G.: Is it possible for a person to get an allergy from too much protein?

Answer: Almost all protein substances seem capable of causing allergic reactions.

You should consult with your doctor to determine the exact cause in your case.

BIBLE THOUGHT

Delight thyself also in the Lord; and he shall give thee the desire of thine heart. Psalm 37:4.

Thankfulness and gratitude to God for all your blessings are a great help to a happy life. Try it! But they must come from your very heart.

OTTAWA REPORT

Gov't Bamboozled By Civil Servants

By PATRICK NICHOLSON

OTTAWA: The Advisory Council of the National Liberal Federation is meeting here for three days this week.

The chief task facing the 260-member Council is "to prepare Liberal Party organizations for the next federal election" — likely to be held in the early part of 1962. The second task of the meeting is to "review Liberal policies in the light of changing conditions in Canada and abroad."

Behind that innocuous verbiage of the official announcement lie some brutally frank chores. These are in effect to try to pick up the money, the men and the ideas — important in that order — capable of winning a federal general election.

And they won't be as easy to pick up as "the pieces" which Liberal Leader Mike Pearson said he would "be back to pick up" following a week's holiday in Florida after last March's voting.

"Pieces" is just about all that is left of the great Liberal machine which ruled Canada with its aloof, unchallengeable and unbending rod during so many years.

WAR CHEST EMPTY

Money for political campaigning comes in big and middle-sized contributions from business. And business does not consider itself a charity to feed the under-dog.

For long it starved the Conservative Party; now, guided by the easy and obvious yardstick of the public opinion polls, it regards the Liberal Party as something currently even humbler than the under-dog. So money is scarce for the Liberals today, a fact which is eloquently expressed in the small number of western delegates expected to make the expensive journey to Ottawa for this week's meeting.

Men of quality are hard to attract as candidates for a Party which at best can offer them four years hard labor in Opposition. This is a fact of politics; but it is

very regrettable. Where are the promising young men, and the able men of middle age or older with promise fulfilled, who together made up those Liberal cohorts even two years ago?

They have run for cover, seeking financial opportunities more promising than their own immediate future, with a few honorable exceptions such as Mr. Pearson himself, Paul Martin, George McRae, Bill Benidickson, Doctor W. H. McMillan and a few lesser lights.

SEEK PUBLIC APPEAL

The ideas? In conference at Orillia recently, the Ontario Young Liberals heard the assertion that the Diefenbaker Conservatives stand today on the political ground hitherto occupied by the Liberal Party.

Perhaps that speaker meant in effect that the Liberals, who long had attempted with considerable success to occupy the middle as well as both sides of the political road under Mackenzie King, can now find very little space for manoeuvre against a government which offers something for everyone, from free enterprise to the welfare state, from increased opportunity for business to complete in the fields monopolized hitherto by Crown Corporations to the higher Old Age Pension.

This is the cheerless backdrop, against which the Liberal high command is meeting this week. Nevertheless, these delegates from all parts of Canada are moving to their task with enthusiasm. They will start by revitalizing the important National Executive, replacing representatives of the defeated Old Guard with younger Liberals with the forward look.

Liberal Federation President Duncan MacTavish wishes to resign; he is likely to be succeeded by ex-Transport Minister George Marler on the new basis of a whole-time paid president.

And leader Pearson will report on his unceasing efforts on the stump right across Canada, to re-infuse enthusiasm for Liberalism among the voters.

Shuffle off to Buffalo

How far are Canadians visiting the United States justified in buying consumer goods there?

It is an interesting question. Many thousands of Canadians cross the border every year in the course of business or pleasure. They are legally entitled to do a certain amount of duty-free buying. This being so, it would obviously be unreasonable to expect them never to do any.

In answering the question, much depends on whether the purchases involved are incidental to the trip — or the cause of it. Whether they are in the main casual acquisitions, or add up to a major splurge, deliberately planned and regularly indulged.

The organized and systematic buying of consumer goods from a neighboring country by the citizens of a country which itself makes the same products cannot ordinarily be justified. That much is sure. The implications of such a policy if pursued by every Canadian within reach of the U.S. border are obvious enough if thought about for ten seconds.

They were spelled out recently by Mr. J. C. Whitelaw, Q.C., General Manager of the Canadian Manufacturers' Association, in an address to the Purchasing Agents' Association of Montreal.

After referring to the marked success of the intensified "Buy Canadian" program to date, Mr. Whitelaw went on:

"Inevitably, there are individuals who do not agree with the economics or the morals of the argument for 'buying Canadian,' or who charge that the movement is dictated by pure selfishness. Fortunately, their numbers are few and those who publicly challenge it offer arguments that will not bear serious examination.

"Take, for example, the case of the lady, who wrote during midsummer to

a well-known publication along these lines:

"It seems obvious that Mr. Diefenbaker, James Duncan, the Canadian Manufacturers' et al have failed to take into account the woman shopper who does most of the buying in this country.

"The woman buyer isn't primarily interested in trade balances, nationalism, Anglophilism or anti-Americanism. If she can get better value for her money in Buffalo, she is going to buy in Buffalo, without worrying herself over-much about the Canadian Manufacturers' Association or the feelings of the Mother Country."

"This lady, who displayed the courage of her convictions by signing her name, is worth educating, if only that her thinking is symptomatic of the economic sophistry that afflicts many otherwise eminently sensible people."

"Let us, for the sake of discussion, agree with her alleged money-saving device of shopping in Buffalo. Let us agree to the point of urging all Canadian women within shopping distance of Buffalo to make a practice of converging in their thousands on the Bison City with their purses stuffed to the allowable limit with dollars their husbands earned making and servicing and selling Canadian products. What happens then?

"Well, of course, Buffalo merchants wax prosperous. But Buffalo's gain is whose loss? Not Cleveland's, not Detroit's — but St. Catharines' Hamilton's, Toronto's, Montreal's; in short, gentlemen, Canada's loss. And, if kept up ad infinitum, it wouldn't be long before many of these same women would be realizing all too late that it was very much their personal loss as well.

"For if Canadian goods remain unsold, how long will their husbands' jobs remain secure? And if their husbands are either on short time or out of work, who will stuff their purses with Canadian money to keep the Buffalo merchants smiling?"

Pasternak's Apology

It is difficult to escape the impression that the world-wide indignation aroused by the Soviet campaign of abuse launched at Boris Pasternak has forced Moscow to make some significant concessions. This impression seems well founded if one compares the violence of the charges made against Russia's greatest living author after he committed the "crime" of winning the Nobel Prize with the contents of the letter of "apology" by Pasternak which Pravda has now printed.

Seen superficially, the letter might seem to be a capitulation by Pasternak to the terror campaign unleashed against him. But a close reading shows other significant elements. Nowhere in this "apology" does he repudiate "Doctor Zhivago," confining himself to regret at some interpretations of the book. Moreover, in his letter he is for the first time permitted to call atten-

tion to the fact that he was nominated for the Nobel Prize five years ago — that is, long before the world knew about "Doctor Zhivago," a fact which implicitly refutes the charge that the Nobel award to him was purely a political act of any kind.

Nowhere in his letter does he accept the appellation of "traitor" or "Judas" applied to him in Pravda, and he restates again his assertion of indissoluble ties with his people. And Pasternak well knows, of course, that the world will fully understand the Aesopian meaning to be attached to his statement that his retreats these past days have been "voluntary."

The Soviet regime, in short, appears to have been forced to accept from Pasternak a concession that is far from unconditional surrender.

—New York Times.

Can Marilyn Monroe come back?

When Marilyn Monroe returned to Hollywood recently, the biggest crowd in years turned out to welcome her. Yet, there are many who say that her greatness is over. Can Marilyn Monroe, now making a new picture, bring back that fabulous era when stars were really stars? In this week's Star Weekly Marilyn reveals her exciting plans.

BEAUTY AND THE BEAST

Not furry like a white bear's skin but still warm, a pencil slim skirt in wool with Regency stripes and smart self fringe at the waistband and on the pocket is a useful adjunct to any wardrobe whether for home, business or travelling and would be in use

almost any month of the year. The model was photographed in Battersea Park in London. Muted stripes in lovely colors are being featured a great deal this fall for clothing for both women and men.

"Love That TV Tray", It Has Many Uses

So-called TV trays have many number of uses as well as their intended one of serving meals and snacks in front of the television screen. These ideas may be known to nurses because one of the first things a nurse-in-training learns is the value of trays—Trays for this — trays for that.

Here are a few suggestions you may enjoy, if you haven't already thought of them yourself:

In cleaning a bureau top or small cupboard, it is helpful to set up a tray nearby. This saves transferring numerous 5 in. x 11 items from bureau to bed, or cupboard to counter, as the case may be.

Perhaps you are pinning, cutting, and sewing on the dining-room table. How about a tray to hold pincushion, scissors, pattern, needle, thread, and other items that might otherwise become hidden from sight under folds of material.

In entertaining, a tray or trays set in the corner of the kitchen can help to free valuable counter space. In the dining room during

the meal, they can hold water pitcher, dessert dishes, additional silverware, or that extra casserole.

The trays always lend an informal atmosphere to evening refreshments when friends drop in. And at buffet suppers, the bane of the maids' existence, note the happy smile as each guest is provided with a tray on which to put his dinner.

When a new baby arrives in the home a television tray may be quickly recruited to hold feeding equipment, or those thousand and one elusive things that are often needed in a hurry.

Bedtime snacks prepared in the kitchen may be carried to the bedroom or den on a tray.

These trays are also ideal for special projects, mending, cut-outs, stamp-collecting paraphernalia. The tray can be carried from room to room while the necessary articles are collected and thence to the part of the house where the project is to be worked on.

Even if you don't own a TV set,

TV trays are handy to have. They store compactly in a minimum of space and yet when opened can provide ample eating facilities for a group of people. You can paint and redecorate them if you wish. Don't confine their use to inside only. Come spring they will make happy porch and yard companions as well.

If you do plan to use your trays in rooms other than your living room (and you surely will when you discover their many uses), consider colors when purchasing them in order to have a set that will blend harmoniously as nearly as possible with the rooms in which they will be used. We chose a black set with a simple gold, brown, and white pattern which lends itself well to our various color schemes.

If you live in an apartment where space is valuable, you will find them to be just the answer when an additional flat surface is needed. And if you live in a large home, you may even want two sets; one for the dining, kitchen, living room, and another for the bedroom, den, sewing-room area.

Once you break away from the original purpose of these trays, you will find unlimited ways in which to make good use of them.

Ruby Red Applesauce

Ruby red applesauce is as good to look at as it is to eat. It may be served cold with pork chops, spareribs, baked ham, or with cold pork, and it is delicious with poultry.

It is made so . . . One-half cup water, one-half cup cranberries, three McIntosh apples, dash of salt, and one-quarter cup of sugar.

Put water and cranberries in saucepan, add sliced unpeeled apples and salt. Boil until cranberry skins pop and apples are mushy. Put through food mill or strainer, add sugar. Chill well.

Put water and cranberries in saucepan, add sliced unpeeled apples and salt. Boil until cranberry skins pop and apples are mushy. Put through food mill or strainer, add sugar. Chill well.

Dec. 11 Deadline for Christmas Stork Derby

TORONTO (CP) — Motherhood — and a millionaire's whim — will give a \$1,250 Christmas present to a Toronto housewife.

Dec. 11 brings the reckoning in the second of Toronto's Tom Foster "stork derbies."

By the \$1,108,355 will of Mr. Foster, three times mayor of Toronto, the money will go to the city wife who has borne most children in the last 10 years.

FOUR DERBIES
The millionaire, who started work in a butcher store, died in 1945 and left \$10,000 to provide four 10-year derbies, the first starting the date of his death.

The present contest began in December, 1948, others in 1951 and 1955. Under the will's terms the winner must prove Toronto residence and produce both birth and marriage certificates.

Mrs. Muriel Scott, 38-year-old wife of an unemployed construction worker, won the first of the derbies. She had nine children in the 10 years, 21 in 22 years of marriage.

UBC Gets \$9,500 Gov't Health Grant

OTTAWA (CP) — A federal health grant of \$9,500 has been awarded the University of British Columbia for the establishment and maintenance of a model child health service, it was announced today.

Children of university students, who numbered 800 last term, will receive basic health services and the centre will undertake research on child growth and development.

WIFE PRESERVERS

Rubber tips on canes or crutches should be washed every day to keep them safe and skid-proof.

Women

Monday, November 17, 1958 THE PENTICTON HERALD 6

At Winter Fair Women's Part

TORONTO — Exhibiting, judging and participating in various classes, women from various parts of the country will play an important role in the 1958 Royal Agricultural Winter Fair now being held in the Coliseum, Toronto, from November 14 to 22.

Again this year women will contribute toward the success of the Royal by helping to select prize winning entries. One of the women judges is Mrs. W. H. Hall-Holland of London, Ont., who will judge Arabian horses. Mrs. Percy Waters, Toronto, will act as a flower judge.

In recent years the goat show has been invaded with a lot of success by women exhibitors. Including Mrs. Donna Skelding of Weston, who seems to know more about goats than the animals themselves. It is expected that Mrs. Skelding, former secretary of the Ontario Goat Society, will be back at the Royal again this year.

Other female exhibitors of goats include Mrs. Madeline Thornton and Mrs. S. M. Clarke, both of London, Ont., Mrs. C. Braind of Dundas, Ont., and Margaret Brock of Greenwood.

Again this year women will make their bids for the blue ribbons in just about every class at the Royal and classes for dairy cattle are no exception. Among feminine cattle exhibitors this year will be Jacqueline Smyth of Hannan, Ont., Merle Green, Elsie, Mich., Mrs. Max Gordon, Lynn, Indiana, and Dianna Ryan, of Newport, R.I.

The Royal Horse Show, one of the big features at this year's big fall fair in Toronto, will attract a number of women participants from both sides of the border. Among these will be Mrs. Frank Ryan, Ottawa; Mrs. G. C. Rundle, London; Mrs. W. L. Wade, Brampton; Mrs. Dick Day, Gormley; Joan Gray, Oakville, and Elsie Lancaster, of Aylmer, Que.

One of the highlights of the Royal Horse Show will be the International jumping competitions featuring teams from Canada, the United States, Mexico, Cuba and Germany. In this event, too, women will share the spotlight. Miss Viki Marlies Valdes is recognized as one of the most skilled riders on the Mexican team. Reputed to be Europe's most outstanding equestrienne, Mrs. Liselott Lisenhoff will accompany the German jumping team to Toronto.

Features of the 1958 Royal, which are sure to find favor with women visitors, will be a magnificent flower show, a display of the newest in mink fur fashions, appearances by Arthur Godfrey, and his prized horse "Goldie", and demonstrations of floral designs for the home.

Audrey Siegrist Is Honored

PEACHLAND — The Baptist Church basement was the scene of a very happy event on Tuesday evening when Miss Audrey Siegrist, R.N., was honored guest at a miscellaneous shower, arranged by a group of her friends. The hall was decorated tastefully with pink and white streamers, and large bowls of chrysanthemums.

Many useful and lovely gifts

were received by the bride-to-be, and were presented to her from a decorated miniature ambulance. Her sister, Eunice, helped her unwrap the gifts.

Serving were the misses Marilyn Topham, Marilyn Oakes and Margaret McLaughlin.

Miss Siegrist's marriage to Kenneth Harton, of Kamloops, takes place on Saturday, November 29, in the Peachland Baptist Church, with the reception to follow in the United Church Hall.

What do women want
in the daily newspaper...but
not on television?

ANSWER: ADVERTISING. In a survey by Northwestern University among housewives, 92 per cent said they wanted newspapers with advertising. By comparison, 61 per cent said they would prefer television without advertising. This receptive attitude toward the daily newspaper is one of the greatest assets that an advertiser could ever want. And it is one of the big reasons why advertisers place more money in the daily newspaper than in radio, television, magazines and outdoor combined!

ANGEL CAKE DESSERT

Now is the time for a fall coffee party in front of a crackling fire, and what could be a more delicious dessert than this angel cake, trenched out and filled with fruit jelly. Lovely to look at and lovely to taste! This is one of Miss Dorothy Britton's recipes tried and proven in the Experimental Farm kitchen at Summerland where she is the home economist. Photography is by Steve Cannings.

1 - 10 inch angel food cake
1 lemon flavoured jelly powder
1 tin (15 oz.) peach halves
1 tin (15 oz.) pears
¾ cup fruit juice, drained from canned fruit
1 cup boiling water
¼ cup quartered maraschino cherries

½ cup midget marshmallows
1 pint whipping cream
Drain canned fruit, reserving ¾ cup of the juice. Dissolve jelly powder in the ¾ cup boiling water. Add fruit juice. Cool until jelly has set enough to hold the shape of a spoon.

Cut peaches into about ½ inch cubes, measure 1 cup. Cut pears into about ½ inch cubes, measure ½ cup. Combine peaches, pears, maraschino cherries and marshmallows.

Whip ½ cup of the cream. Fold into partially set jelly. Fold in fruit mixture.

Put filling into trench, being careful to leave the 1 inch "wall" of cake. Place on serving plate.

Spoon chilled filling into trench. (Be sure filling will hold its shape enough so that it won't spread the sides of the cake.) Replace the top pieces of cake. Chill in refrigerator until well set or overnight.

To serve, whip remaining cream, sweeten and flavour to taste. Spread over top and sides of cake. Serve in wedges.

Golden Anniversary Chapter IODE New Film Program

The forthcoming showing of films was of paramount interest to the members of the Golden Anniversary Chapter, I.O.D.E. at their November meeting held in the home of the vice-regent, Mrs. J. W. Bryant.

In her capacity as film convenor, Mrs. L. C. Marun reported that the I.O.D.E. film, "The Sceptre and the Mace" would be the first film shown on November 24 in the parish hall of St. Saviour's Anglican Church at 8:30 p.m. This is a most interesting and colorful film of the royal regalia, Queen Elizabeth opening the Houses of Parliament. The second film, secured for the Chapter by D. V. Cranina, is entitled "Design For Living" and shows the designing and manufacture of fine china, in color. By courtesy of the Canadian National Railway, "Wings to Britain" is being brought in for the occasion. This film depicts a flight to Great Britain and shows, in color, London and the surrounding country. Mrs. J. J. Vestre is in charge of the sale of tickets and Mrs. R. D. Brown, the treasurer, will be at the door.

In the absence from the city of the regent, the vice-regent, Mrs. J. W. Bryant presided over the meeting, advising the members that permission had been granted to the Golden Anniversary Chapter to adopt Happyvale School.

Mrs. D. H. Ross, Home and Abroad Secretary, has been collecting warm clothing for children and adults from the members and will turn them over to the Diamond Jubilee Chapter, in response to an urgent appeal for warm garments to replenish the stock in the Thrift Shop.

In support of the I.O.D.E. Bursary Fund, Mrs. A. K. Douglas has ordered I.O.D.E. calendars and will distribute them at the December meeting to be held at the home of Mrs. G. L. Brodie, 341 Winnipeg Street, on December 9.

Forming the color party, Mrs.

S. C. Reekie, the Standard Bearer for the chapter, with Mrs. R. Brown and Mrs. A. K. Douglas were in procession at the Armistice Day services, when the Vice-Regent, Mrs. J. W. Bryant, laid a wreath on the Cenotaph.

Mrs. H. E. Chalmers, chairman of the T.B. Christmas Seal campaign undertaken by the Diamond Jubilee Chapter, I.O.D.E. is very kindly turning over all the used postage stamps from contributions received, to further a project of the Golden Anniversary Chapter.

Mrs. T. E. M. Smith reported that the Provincial Chapter, I.O.D.E. has endorsed the appeal of the Canadian National Institute for the Blind to establish an Eye Bank in B.C. Further study of the literature in this connection will be made.

It was decided to assist the Little Theatre in the sale of tickets for their productions under the convenship of Mrs. H. S. Furness.

MR. AND MRS. WARNER ERIC EINER

Miss Gail Turner, Lovely Bride of Warner Einer

SUMMERLAND—A lovely late fall wedding was solemnized on Friday evening, November 1, at eight o'clock uniting in marriage, Gail Whitney, daughter of Mr. and Mrs. Thomas F. Turner of 515 Penticton Ave., and Warner Eric Einer, son of Mr. and Mrs. Frederick Einer of this city.

White and yellow mums on the altar and baskets of pastel mums decorating the church echoed the season of the year as the bride was given in marriage by her father in a ceremony performed by Canon A. R. Eagles.

A beautiful wedding gown was worn by the bride styled in strapless floor-length white satin with an overlay of net featuring a Queen Anne collar with a full-length lace redingote scalloped at the edges and buttoned down the front with lace-covered buttons. The gown was posed over a crinoline and was hooped. A tiara of pearls and white sequins held in place the cathedral length veil also scalloped at the edges and dotted with pearls. The bride wore tiny pearl earrings and a single cultured pearl on a gold chain was the charming necklace. White carnations in the wedding bouquet were centred with a mauve orchid and tied with white satin ribbon.

As bridesmaid, Miss Jackie Young was in pink lace, fashioned in ballerina length with a pink satin sash. Her headress was a spray of pink feathers and her slippers were of clear plastic. She carried carnations in a shade of pink matching her frock arranged with those of a deeper color to make a lovely ensemble.

Miss Suzanne Smith was the flower girl wearing a pretty short dress of dove blue nylon over crinolines and a headress of small blue flowers. She carried a basket of pink roses and carnations.

Barry Richards, of Penticton, was best man.

The ushers were Philip Bradshaw and Jerry Stephenson of Penticton.

Harold J. Lupton was the organist and Miss Chriss Tilberg sang "The Wedding Prayer".

A reception followed on the S.S. Scamious where Mr. and Mrs. Turner were assisted in receiving by the groom's parents and the bridal party.

Mrs. Ann Pearson arranged the flowers which decorated the rooms for the occasion.

Bob Miller was master of ceremonies and the toast to the bride was proposed by Les Hughes with reply by the groom. The best man gave a toast to the bridal attendants. Congratulatory telegrams were read from California, West Vancouver, Seattle and Whalley.

Assisting in serving were Miss Marguerite Einer, Miss Chriss Tilberg, Miss Mary Harden, Miss Mabel Kleiven, and Mrs. L. G. Nidderly.

For travelling to Vancouver where the honeymoon will be spent the bride wore a smart quarter length coat, a white hat, house and gloves, and black accessories. Her corsage was of red roses.

On their return the couple will make their home in Penticton.

Among the out-of-town guests were the bride's grandmother, Mrs. S. Pritchard of West Vancouver; the bride's great aunt and uncle, Mr. and Mrs. C. Ashcroft of Burnaby; Mr. and Mrs. Les Hughes, Sally and Bob. George Turner of West Vancouver; Mr. and Mrs. W. Audruska and Donna May Audruska of Kelowna; and Mr. and Mrs. Bert Hanna and Marilyn Hanna of Vernon.

United Church Sunday School Hall at Oliver

OLIVER—The regular monthly meeting of the W.A. of the United Church was held on Thursday afternoon, November 6, at the home of Mrs. A. J. McLean in Oliver.

Main business of the meeting was the voting of \$500 to the church building fund to remodel and renovate the Scout Hall building, which was brought down from Copper Mountain last fall, and make it into a much needed Sunday School room.

The hostess served refreshments and a pleasant social hour followed the meeting.

DR. HITSCHANOVA

Dr. Hitschanova, executive director, Unitarian Services Committee of Canada, will speak to a public meeting tomorrow evening on the S.S. Scamious at 8:30 p.m.

Salvation Army Donation High At Peachland

PEACHLAND—Mrs. L. B. Fulk and her committee of canvassers for the Salvation Army's Red Shield Drive are receiving congratulations on collecting \$208.15 from this small community.

The team was comprised of Mrs. Ed Nell, Mrs. Fred Topham, Jr., Mrs. S. G. Dell, Mrs. Blaise Bradbury and Mrs. Frank Bradley.

The sum realized is the largest amount ever raised here for this particular cause.

Diplomacy Feminized

TEL AVIV, Israel—A Halifax woman made Canadian diplomatic history recently when she presented her credentials as Canadian Ambassador to President Yitzhak Ben-Zvi.

Miss Blanche Margaret Meagher is her country's first and only Lady Ambassador and the first of her sex to be accredited as an Ambassador by Israel.

The credentials she presented are believed to be the first ever signed for a woman by a British sovereign—Queen Elizabeth II.

Instead of the protocol dress of male envoys—striped pants and morning suit—Ambassador Meagher wore a dark gray suit and blue and white hat for the ceremony.

Woman diplomats are not new in Israel, however, where the foreign minister is Mrs. Golda Meir, ex-Milwaukee schoolteacher.

A detachment of girl soldiers of Israel's defense army was detailed to act as the guard of honor to receive Ambassador Meagher at the entrance of the Presidential Palace.

TV Skit Entertains Baptist Mission Circle

Mrs. Gordon Vincent, wife of the new minister, was hostess to the John Hart-Mission Circle's November meeting at the parsonage of the First Baptist Church.

The year's theme of study is Baptist Missions in Canada and as part of the evening's program, Mrs. Gordon Kirkland conducted a live TV skit on the only home for negro children in Canada which is at Preston, N.S. It is government-supported but Baptist women contribute towards its upkeep. All denominations are represented in the home and it is noted for the excellent singing of spirituals, Mrs. Kirkland reported.

The story of the home was that ministers of these children were slaves of Empire Loyalists who came north to Canada during the Civil War. The slaves were released and stayed in Canada.

It is said that a friendly feeling pervades the home. Mrs. Margaret Michie conveyed the interesting program. Others taking part were Miss Grace Boggs, Miss Carol Graham, and Mrs. Beth Weber.

Dr. Flora Barr, president, was in the chair.

It was reported that a Christmas food parcel had been sent to Rev. John Hart in India. A fund was raised to send Mr. Hart

Peachland Bazaar On November 21

PEACHLAND—Mrs. W. D. Miller was hostess to the regular monthly meeting of the United Church senior W.A.

Final arrangements were made for the annual bazaar to be held November 21. The junior W.A. will assist and fancy work, home cooking and candy will be offered for sale. There will be a Christmas tree for children.

WIFE PRESERVERS

Covers from flower seed packets make unique and colorful decals for your kitchen cupboards. Paste them on and cover with thin shellac.

In the Penticton-Naramata-Kaladen area there are 140 cases of TB which are followed by regular check-ups.

HOUSEHOLD HINT
You can include dirty scrub cloths and dust rags with your regular machine wash if you first soak them in a bucket of hot suds to loosen embedded dirt. Rinse before putting in the machine.

HOUSEHOLD HINT
In shellacking a wooden object, two or more thin coats are much better than one thicker application, because the first coat penetrates and strengthens the fibers, the second adheres to the first, creating a film surface.

PETER TOMLIN'S

SPORTS DIARY

DESPITE THE COLD WEATHER which kept the crowd down to about 100, the Tom McLaren benefit soccer game was a huge success.

Fan support was wonderful—far better than had been expected. People gave the game their support even though they could not attend.

Coach Jim (Tanglefoot) Hume of the Herald all-stars said after the game that he thought the Rangers Old-Timers were extremely lucky to beat his team 3-2.

He added, "Of course, we are protesting the game." When asked why he was protesting, Hume said, "Oh, no reason. I just understood that every time a team lost a game, they were expected to protest."

He is claiming that the Old-Timers used unfair tactics to win the game.

He said, "They didn't hesitate to take advantage of the fact that they had better players than we did."

HEARTFELT THANKS ARE DUE to a great many people in the city.

We would like to express thanks to all the players who took part, to the Recreation Commission for the support of the game, to Super-Valu, Howard and White Motors and Bryant and Hill Men's Wear who donated gate prizes.

Special thanks to the citizens for their great support—without them there would have been no game—to the officials at the game, to Bill Swordy who did such a great job of handling the ticket sales and to Rod Dewhurst who did so many thankless jobs.

Receipts from the game are being tabulated and we should have the final figure in a day or two.

A rough estimate placed the total profit at about \$200.

THE GATE PRIZES WERE not drawn for at the game because a public address system was not available.

Following are the winning ticket numbers. Holders of these tickets can pick up their prizes at the Herald office.

Winners of the two turkeys donated by the soccer club and Super-Valu are tickets 800 and 394.

The holder of ticket number 29 wins the Bryant and Hill Men's Wear prize and number 679 is the winner of the Howard and White Motors prize.

These ticket holders will have until Wednesday midnight to claim their prizes. If they have not been claimed by then, substitute numbers will be drawn.

THE PENTICTON V'S CAME through their roughest weekend schedule of the season with an even split in points.

They beat Vernon 10-5 Friday night in Penticton, lost 5-0 to Kamloops Saturday night and tied Vernon 4-4 at Vernon Sunday.

This week the club will make a tour through the Kootenay league. They will play two and possibly three games on the trip.

They will return to Penticton for a game against the Kamloops Chiefs Friday night.

V's were within three seconds of winning the game at Vernon yesterday.

They were ahead 4-3 when Frank King scored at 19:57 of the third period to send the game into overtime.

You can't come much closer than that to winning a game.

Lorne Nadeau, Warren Hicks, Yogi Kraiger and Tick Beattie did the scoring for the locals yesterday.

Unofficial league standings show the V's in third place with eleven points, four less than Vernon and three more than Kamloops.

HERALD ALL-STARS BEATEN 3-2 IN SOCCER BENEFIT GAME

Penticton Ranger Old-Timers beat the Herald all-stars 3-2 in the Tom McLaren benefit soccer game played before more than 100 fans at King's Park Sunday.

In the second game the Rangers defeated the Old-Timers 4-1. Both games were played in sub-freezing weather.

Old-Timers opened the scoring in the first game only to have the all-stars scored two fast goals to take a 2-1 lead at half time.

Then the Old-Timers got lucky and scored two goals for their win.

Total proceeds from the game are being tabulated and should be known in a day or two. A rough estimate places the profit at around \$200.

Results of the draw for gate prizes appear in today's Sport's Diary.

Bombers Put Chill To Hapless Eskies

By JIM PEACOCK

EDMONTON (CP)—Coach Sam Lyle holds several theories on the fall of his Edmonton Eskimos (deep). Fullback Charlie Shepard, to Winnipeg Blue Bombers in the opening game of the Western football final, but he sums them up this way:

"They played extremely good football, and we weren't ready to play."

Bombers whipped Eskimos 30-7 in a chilly, 15-degree weather Saturday afternoon and the 17,000 fans who watched Eskimos thrust back to the wall would have to agree with Lyle's diagnosis.

Bombers now need victory in Wednesday night's second game in Winnipeg to win the Western Interprovincial Football Union title and make their second straight appearance in the Grey Cup final. Game time is 7 p.m. MST and if a third game is necessary, it will be played at 1 p.m. MST Saturday, also in Winnipeg.

Quarterback Jim Van Pelt, a 22-year-old rookie from the University of Michigan, mixed his plays well and passed the pants off the Eskimos Saturday. His offensive line gave him fine protection and his receivers broke free from the Edmonton defence.

The Bomber defence, led by Herb Gray and Dave Burkholder, held quarterback Jackie Parker and the rest of the Edmonton offence in check until late in the game, and was particularly strong whenever Eskimos got a foot into the Bomber end of the field.

The Eskimo defence, jarred loose by the variety of plays used by Van Pelt, often was ineffective, and Bomber runners shook off tacklers with monotonous regularity.

Fullback John Verone was the leading Bomber scorer, counting two touchdowns on one-yard plunges after Van Pelt's passing had moved the ball into scoring position. Van Pelt pitched a 25-yard toss to the end zone to end Ernie Pitts for another touchdown and halfback Leo Lewis, in a sensational 72-yard run, scored another on a screen-pass play.

Van Pelt kicked four converts

and got a single when a 29-yard field goal attempt went wide and Odie Lowe gave Vernona 2-1 lead before the first period ended.

Warren Hicks and Yogi Kraiger put V's ahead 3-2 in the second. Gene Kimbley tied the score early in the third and Tick Beattie set the stage for King's second goal by putting the V's ahead 4-3 at 6:38 of the third.

Then defenceman Tom Stecyk of Carville, Alta., scored in the 11th minute and Moe Young of Regina, a veteran of 30, fired the second goal to tie the score two minutes later.

BIG RUSS SCORERS Then came Russ Kowalchuk, a 200-pounder from Kelowna, to put Canada in the lead 5-2 three minutes before the period ended.

But in the final minutes of the game V en i a m i n Alexandrov, youthful high-scoring for the Russians, came through with two straight goals to pull off the victory for Russia.

A Russian team toured Canada last year and in that series won five, lost two and tied one. Several players of the team here took part in that tour of Ontario and Quebec. Only one of the Kelowna players had previous experience in international competition.

BIG CROWD A capacity crowd of 14,000 in Moscow's indoor Sports Palace saw Sunday's game.

Generally speaking, the Russians were smaller but faster than the Canadians and outshot and outskated them.

Dave Gatherum, 25-year-old Packers goalie, was kept busy in the first period and held the Russians off until the ninth minute when Baulin got through for the first goal on a snap pass from Fiodorenkov.

It wasn't until after Russia's Yuri Pantukov scored the second goal in the second period that the Canadians made a showing.

Vees Tied 4-4 on King's Late Goal

A goal by Frank King with three seconds to play in the third period gave the Vernon Canadians a 4-4 tie with the Penticton V's in a game at Vernon Sunday afternoon.

The goal, which came with V's leading 4-3, deprived the V's of their first road win of the season. The clubs battled through a scoreless overtime period after King's goal.

Only three penalties, two minors to Vernon and a major to V's Jack Taggart, were called in the game, which drew 900 fans.

CHIEFS WIN 5-0 Saturday night at Kamloops, the Chiefs maintained their mastery over the V's by beating them 5-0. It was the fourth straight home-ice win for the Chiefs over Penticton.

Chiefs got two goals in the second and three in the third as rookie Ken Kuntz blanked the V's. Kuntz blocked 33 shots and V's Reno Zanier turned aside 39. Kamloops scorers were Gerry Prince, Bob Davies, Billy Hryciuk, Gordon Tansley and Gordon Hudson.

In Western International League play Saturday, the Nelson Maple Leafs edged Trail Smoke-eaters 3-1 in a game at Nelson.

Nelson led 2-0 at the end of the first and 3-1 after two periods. Ollie Dorohov, Bill Thiemann and Taylor scored for Nelson. Laurie Bursaw got the Trail marker.

OSHL STANDINGS

	G	W	L	T	F	Pts.
Kelowna	12	10	2	0	56	38

Penticton	15	5	9	1	54	26
Kamloops	13	4	9	0	49	22

Packers Have Rest After Losing 4-3

MOSCOW (CP)—The visiting, Kelowna Packers rested today before continuing their five-game exhibition hockey series in which a faster Russian team took a come-from-behind 4-3 victory in the opener Sunday.

The Russians took an early lead but at one time the Canadians were leading the Central Hockey League of the Soviet defence ministry 3-2. The Russians, many of them veterans of world and Olympic hockey competition, then came up with tying and winning goals in the final.

The second game will be played Tuesday.

The Canadians arrived here Friday after completing a three-game series in Sweden, where they also lost the first game but came back to take the series 2-1.

BIG CROWD A capacity crowd of 14,000 in Moscow's indoor Sports Palace saw Sunday's game.

Generally speaking, the Russians were smaller but faster than the Canadians and outshot and outskated them.

Dave Gatherum, 25-year-old Packers goalie, was kept busy in the first period and held the Russians off until the ninth minute when Baulin got through for the first goal on a snap pass from Fiodorenkov.

It wasn't until after Russia's Yuri Pantukov scored the second goal in the second period that the Canadians made a showing.

Rough Riders Have a Tough Road Ahead

By BERNARD DUFRESNE

OTTAWA (CP)—Ottawa Rough Riders face a seemingly-insurmountable uphill fight at Hamilton next Saturday with the Tiger-Cats taking a cozy 28-point bulge into the windup of the Big Four Football Union's two-game, total-points final.

Unless Riders come back with the big win—by at least 29 points—Tiger-Cats will go to Vancouver to defend their Grey Cup championship against the Western tilters Nov. 29.

That is the situation today after Hamilton's resounding 35-7 triumph over Riders at Ottawa's Lansdowne Park Saturday. It was a spectacular mixture of opportunistic inventiveness and the kind of offensive power that carried Ticats to their easy first-place season finish.

McDOUGALL TOPS

Power-runner Gerry McDougall scored two touchdowns on close-in ground plays and quarterback Bernie Faloney passed for three more to Milt Campbell, Ron Howell and Harry Lampman. Steve Oneschuk kicked five converts.

Ottawa's only touchdown was on a pass from Russ Jackson to half Bobby Judd, converted by Gary Schneider.

Hamilton's fancy stuff, used early in the game until it produced a 69-yard touchdown play, Faloney - to - Campbell, could be described as a "lonesome quarterback" offence.

Faloney took the snap about seven yards behind the line of scrimmage, with two potential receivers split wide on each end and his forward line slightly wedge-shaped. He called the play six straight times until it produced the game's first score early in the game before a small crowd of 10,930 spectators.

The formation had the Ottawa defence slightly upset, but Ottawa coach Frank Clair did not attribute the Riders' loss to it alone.

A TIRED CLUB "It was a combination of many things that beat us," he said. "We were a physically tired ball club meeting a solid, rested club." The Hamilton team earned a week's rest with its bye into the finals.

The Ticats offence took the Ottawa defence by surprise again in the second quarter. After Howell's touchdown pass play, Don Sutherland kicked off short. Campbell stole the ball and ran it to the Ottawa 20, setting up McDougall's first touchdown three plays later.

*In which season
are newspapers read
most frequently?*

ANSWER: THERE'S PRACTICALLY NO SEASONAL CHANGE AT ALL! An analysis of newspaper circulation over a three-year period showed that the newspaper habit is constant throughout the year. There is no "off" season for the newspaper habit, either in size of audience or in amount of reading. Therefore, advertisers can rely on their audience always being present—come rain or shine, come cold weather or hot.

Penticton Herald

What kind of Life Insurance should you buy?

Today there are a wide variety of policies to meet modern needs. The best kind for you depends on many things—your objectives, your family's requirements, the amount of money you are able to save.

You can be sure of friendly and competent advice when you sit down and talk things over with a Manufacturers Life representative. He'll put first things first—help you establish your objectives for your family's immediate protection, for your children's education, for your own retirement. He'll help you decide which needs should be looked after now, and recommend the policy that's most suitable. Then he'll give you a plan for the future that will take the "hit and miss" out of life insurance buying. Why not talk to him today? You'll like the way he does business.

Rangers Climb in NHL By Beating Top Teams

By BEN WARD
Hey, look at those New York Rangers go!
Rangers posted their fourth straight win Sunday night with a 2-1 victory over the league-leading Montreal Canadiens in a slam-bang battle at New York. It vaulted them over Detroit Red Wings and Chicago Black Hawks into third place in the National Hockey League.
Saturday night the New Yorkers knocked off the second-place Boston Bruins 4-2.

CALGARY TRIMS COUGARS

Bruce Shines as Canucks Win 4-0

By THE CANADIAN PRESS
Bruce Gamble is a goaltender playing his first year in the Western Hockey League. So far he has racked up three shutouts for Vancouver Canucks.
No. 3 came Sunday, a 4-0 breeze past New Westminster Royals that consolidated the Canucks' hold on second place in the coast division.
It gave the Royals a split in weekend action in the league. They trounced Spokane Flyers 7-5 Saturday night as Hugh Barlow scored four goals. The Flyers had a dismal weekend, following up their Saturday defeat with a 5-1 loss to Edmonton Flyers at home Sunday.
In other Saturday games Calgary downed Victoria 5-1 at Calgary and Seattle trimmed Saskatoon 6-3 at Saskatoon.

SPOKANE DROPS
By losing twice, Spokane fell from the cellar of the coast division; one point behind fourth-place New Westminster. Victoria ended up a point ahead of New Westminster and four behind Vancouver in third spot.
By defeating Victoria, Calgary moved into second place in the prairie division, one point ahead of Saskatoon and five behind the leading Edmonton Flyers. Winnipeg trails.

FOURTH STRAIGHT
It was the Cougars' fourth straight defeat in a disastrous

prairie tour. Sid Finney, Art Erickson, Chuck Blair, Ron Leopold and Lou Jankovski scored for the Stampede: Stan Baluk for Victoria.
Six players tallied one apiece for Seattle at Saskatoon: Guy Fielder, Rudy Filion, Alex Kuzma, Don Chupka, Cummy Burton and Gerry Leonard. For the Bakers, Bob Kabel, Bob Robinson and Jackie McLeod scored.

At New Westminster, Pat Hannigan scored two goals for the Royals in addition to Barlow's four. Dick Van Impse got the other.
Spokane scorers were Del Topoli, Al Johnson, Frank Kubasak, Lloyd Maxfield and Ching Johnson.

VAN IMPSE CHEATED
Gamble came up with magnificent saves on shots by Van Impse in the first period and Paul Masnick and Pat Hannigan in the third as he nailed down his shutout at Vancouver.

Kent Douglas, Dan Belisle, Ray Cyr and Mel Pearson found the mark for Vancouver.
At Spokane Sunday, Edmonton rolled up a 5-0 margin on goals by Don Poile, Ray Minnasewich, Eddie Diachuk, Myron Stankiewicz and Hugh Coffin before Ching Johnson and Bev Bell tallied for Spokane in the third period.
Both Sunday games were afternoon contests.

Browns, Colts Move In on NFL Crowns

NEW YORK (AP) — Thundering Jimmy Brown of Cleveland Browns has picked one of the National Football League's juiciest plums, is near another and has propelled the Browns closer to a division championship.
The Cleveland fullback set a season rushing record Sunday as the Browns regained undisputed possession of first place in the Eastern Conference with a 20-10 victory at Washington Redskins.

Brown gained 152 yards in 27 cracks at the line. He broke the ground-gaining record of 1,146 yards set in 12 games by Steve van Buren of Philadelphia Eagles in 1949. The former Syracuse all-America has amassed 1,163 in eight games.
A sophomore in professional ranks, Brown scored twice on short plunges and closed in on another record. He has 17 touchdowns for the season, one short of van Buren's mark.

BROWNS ON TOP
Cleveland's triumph, coupled with the 31-10 upset of New York Giants by Bobby Layne and his Pittsburgh Steelers, left the Browns on top with a 6-2 record. New York is a game back at 5-3.
The race in the Western Conference virtually was broken wide open as Baltimore's second-string quarterback George Shaw, passed the Colts to a 17-0 triumph over Chicago Bears. Baltimore, seeking its first title, has a 7-1 record for a two-game lead over Chicago and Los Angeles Rams. The Rams tied for the runner-up spot by knocking off Green Bay Packers 20-7.

CURLING DRAW FOR THIS WEEK

Following is this week's curling draw at the Penitence Curling Club:
Nov. 17-7 p.m. Sheet 1, Fraser vs. McKay; sheet 2, Douglas vs. Dunn; sheet 3, Reynolds vs. Lang; sheet 4, Westad vs. Hunter; 9 p.m. 1. Bruch vs. Day; 2. Cranna vs. Volden; 3. Cady vs. Bertram; 4. Bauer vs. Dirks.
Nov. 18-7 p.m. 1. Cumming vs. Cumberland; 2. Parmley vs. Erindson; 3. Stuart vs. Young; 4. Kenyon vs. Duncan; 5 p.m. 1. Mather vs. Vickers; 2. Perry vs. Moen; 3. Jackson vs. Davison; 4. Littlejohn vs. Laub.
Nov. 19-7 p.m. 1. Bauer vs. Volden; 2. Cady vs. Day; 3. Dirks vs. Bertram; 4. Bruch vs. Cranna; 9 p.m. 1. Westad vs. Dunn; 2. Reynolds vs. McKay; 3. Hunter vs. Lang; 4. Fraser vs. Douglas.
Nov. 20-7 p.m. 1. Littlejohn vs. Moen; 2. Jackson vs. Vickers; 3. Laub vs. Davison; 4. Mather vs. Perry; 9 p.m. 1. Kenyon vs. Erindson; 2. Stuart vs. Cumberland; 3. Duncan vs. Young; 4. Cumming vs. Parmley.

NHL LEADERS

By THE CANADIAN PRESS
Standing: Montreal, won 9, lost 5, tied 2, points 20.
Point: Bathgate, New York; Litzinger, Chicago, 20.
Goal: Bathgate; McKenney, Boston, 11.
Assists: H. Richard, Montreal, 15.
Shutouts: Plante, Montreal, 2.

It was their second double-victory weekend in a row, both at the expense of the two top clubs. In other NHL action Sunday night Toronto Maple Leafs and Boston Bruins battled to a 4-4 tie and Chicago Black Hawks won a home stand against Detroit Red Wings 3-2.
Saturday the Wings dumped Leafs 4-1 at Toronto and Canadiens took the Hawks 3-1 in Chicago.

NEW YORK BRAWL

The Ranger win Sunday night

came in a brawling, fight-filled match that saw 13 penalties handed out in the first period. Ranger captain Red Sullivan and Dickie Moore tangled twice in that period. At one point in the game the Madison Square Garden crowd chanted "Get Moore, get Moore."

Strangely enough, none of the game's 19 penalties had any effect on the scoring, thanks chiefly to standout netminding by Habs Jacques Plante and Ranger Gump Worsley.

Jim Bartlett put Rangers ahead early in the first period and Maurice Richard matched it with his 599th NHL goal. Andy Bathgate's 11th of the season put Rangers in front to stay. He now tops the league in goals.

At Boston Ron Stewart's tie-producing goal with two minutes left to play was worth \$3,400 to the last-place Leafs. They were warned before the game that failure to produce at least one point in their next two games would cost each player \$200 in pay deductions.

Leafs started off with a 2-0 lead, blew it, and had to come back with two late goals to salvage the one-point tie. Frank Mahovlich, last season's top rookie, produced his first goal of the 1958-59 campaign. Bob Pulford and Allan Stanley got the other Toronto markers.

Don McKenney fired two for Boston with others by Johnny Bucyk and Jim Morrison.
Hawks had to come up with two goals in the second period for their victory over Red Wings. Ed Litzinger, Tod Sloan and Bobby Hull fired the winners. Wing scorers were Nick Mickoski and Marcel Pronovost.

The Hawk victory gave them a fourth-place tie with Wings at 13 points, five up on Leafs and one behind the hot New Yorkers. Canadiens rule the roost at 20 points, Bruins have 18.

THE PENITENCE HERALD

Oliver High Wins First Place in Cage Tournament

SUMMERLAND — Oliver High School won the second annual invitational basketball tournament held in Summerland over the weekend by edging Penitence 27-25 in the final game.

It was the second straight time that Oliver has beaten Penitence in the final game.

Oliver beat Salmon Arm 30-22 Friday night and edged Kamloops 37-34 Saturday for a berth in the finals. Penitence gained their berth in the final by beating Kelowna 33-26 Friday and blasting Similkameen 45-19 Saturday.

The locals took second place in the tourney by winning 49-45 over Kamloops in the last game of the event. Kamloops took third spot.

Mike Derry was the lone Penitence player to grab a berth on the tournament all-star team. Oliver placed two, Elroy Jacobs and Albin Hochstetner, on the dream team. Dennis Smith of Kamloops and Frank Breddick of Vernon completed the team.

In Friday play Penitence beat Kelowna 33-26, Similkameen edged Vernon 25-21, Oliver beat Salmon Arm 30-22 and Kamloops drubbed Summerland 41-27.

Saturday morning Salmon Arm defeated Summerland 27-15, Vernon bested Kelowna 50-42, and Penitence trounced Similkameen 45-19.

In Saturday afternoon games Oliver edged Kamloops 37-34, Salmon Arm blasted Similkameen 49-22, Kamloops defeated Vernon 53-44 and Kamloops beat Salmon Arm 37-22.

Saturday night Oliver edged Penitence 27-25, and Penitence took the measure of Kamloops 49-44.

JUNIOR AND INTERMEDIATE CROWNS

Two Grid Titles on Line Next Weekend

By THE CANADIAN PRESS
Canada's intermediate and junior football titles go on the block next weekend.

St. Francis Xavier University of Antigonish, N.S., goes against Fort William Redskins Saturday at the Lakehead city for the intermediate championship.

In the junior event Saskatoon Hilltops visit Montreal N.D.G. Maple Leafs Sunday.

The Nova Scotians took the Eastern intermediate crown Saturday at Montreal by edging Montreal's Lakeshore Alouettes 27-26 in a thriller. Redskins topped Victoria Oak Bay Drakes 18-7 at Victoria.

Both junior finalists won decisive victories in knocking off the last of the East and West opposition. Hilltops plowed Edmonton Wildcats under 26-0 Saturday at Saskatoon and Maple Leafs trimmed Toronto North York Knights 22-6 in Sunday's Montreal game.

THRILLING FINISH
In the intermediate game at Montreal the Xaverians won in Bucyk, Boston the dying minutes when Geoffrion, Montreal's end Hugh Huck stole the Stasiuk, Boston

ball from Alouette quarter George Tsomos and raced from the Alouette 25-yard line to score. The convert, on a pass by quarter Ray Sommerille to end Dave Farell, was the winning point. Other Xavier points were scored by Tom Delaney, with two touchdowns, Ralph Hayes, with one, and Ernie Foshy who kicked two singles. Tsomos and Hank Lapointe each scored two touchdowns for Montreal, with Tsomos and JoePedicelli getting converts.

It was an old story at Victoria where Fort William eliminated Oak Bay from the title race for the fourth straight year.

The home club struck first when Ken Higgs scored a touchdown and Pete Turko converted. Then Fort William took over and produced all the further scoring. Bruno Grobelney and Larry Lychovyd scored touchdowns and Eddie Krupka kicked two field goals and a convert.

Maple Leafs' crushing ground assault was too much for North York Knights in a game marked by 13 fumbles, eight by Knights. Vere Griffith, Bob Anderson and John Schaffer scored Leaf touchdowns. Anderson added two singles. Butch Montgomery kicked another and Bob Shink handled one convert.

The lone North York touchdown was carried across by Jim Cockburn.

Andy Ties Ed In Point Race
By THE CANADIAN PRESS
Andy Bathgate, New York Rangers' smooth right winger, collected three goals and an assist in two weekend games to move back into a tie for first place with Chicago's Eddie Litzinger in the National Hockey League scoring race.

The leaders:

	G	A	Pts.
Bathgate, New York	11	9	20
Litzinger, Chicago	8	12	20
H. Richard, Montreal	3	15	18
McKenney, Boston	10	8	18
M. Richard, Montreal	10	7	17
Bucyk, Boston	9	8	17
Geoffrion, Montreal	7	10	14
Stasiuk, Boston	4	13	17

Midgets Trowned 8-2 by Kelowna

Penitence Midgets absorbed an 8-2 shellacking at the hands of Kelowna Midgets in a league game at Memorial Arena Sunday.

Kelowna took a 2-0 lead in the first period, stretched it to 4-2 in the second and scored four unanswered goals in the third.

Penitence scorers were Joe Caruso and Doug Ewing. Wayne Horning got two for Kelowna with singles going to Martin Shaeffer, Bill Wishlow, Bob Gruber, Fred Thomas, Ralph Kirehner and Ian Angus.

In Pee-wee action Saturday Cripps Contractors beat Clarke's 1-0 on a goal by Loyie and CKOK edged Valley Dairy 2-1. Brian Ross and Finch scored for CKOK, with Chernoff getting the lone marker for Valley Dairy.

VALUABLE GOAL
At Boston Ron Stewart's tie-producing goal with two minutes left to play was worth \$3,400 to the last-place Leafs. They were warned before the game that failure to produce at least one point in their next two games would cost each player \$200 in pay deductions.

Leafs started off with a 2-0 lead, blew it, and had to come back with two late goals to salvage the one-point tie. Frank Mahovlich, last season's top rookie, produced his first goal of the 1958-59 campaign. Bob Pulford and Allan Stanley got the other Toronto markers.

Don McKenney fired two for Boston with others by Johnny Bucyk and Jim Morrison.
Hawks had to come up with two goals in the second period for their victory over Red Wings. Ed Litzinger, Tod Sloan and Bobby Hull fired the winners. Wing scorers were Nick Mickoski and Marcel Pronovost.

The Hawk victory gave them a fourth-place tie with Wings at 13 points, five up on Leafs and one behind the hot New Yorkers. Canadiens rule the roost at 20 points, Bruins have 18.

Arlen Criticizes Stars of Today

By BOB THOMAS

HOLLYWOOD (AP) — Richard Arlen, looking scarcely a day older than when he played for the Paramount variety, has some sharp words to say about today's stars.

"They're slobs; they're pricing the movies out of business."

Dick has an affection for the days when he, Clara Bow, Gary Cooper, Jack Oakie and others were making collegiate movies at Paramount.

"In those days, a movie star always looked like a movie star," Dick said.

"Yet I see these young kids come to the studio in pegged trousers or blue jeans and T-

shirts. Their hair is uncombed and their faces are dirty. They're a mess."

"At Christmas time, you go to a fine store in Beverly Hills and see stars like Irene Dunne and Joan Crawford shopping in beautiful clothes. But you see some of the younger names wearing ballet shoes, those tight tattered pants and a man's shirt and dragging a mink coat."

DEMAND TOO MUCH

Of the prices that many stars are demanding for their services, Arlen said:

"These figures of \$750,000 for a picture are ridiculous. Many a producer can't hope to make a profit by the time he has paid the stars."

"The stars can ruin the picture business with their demands. When the business is in trouble, they should be cutting their prices, not asking for the moon."

Arlen cited his own fiscal awareness with his current picture, Warlock.

"I took a cut to take this picture," he said.

Dick doesn't have to worry where his next part is coming from. In the days when he was earning thousands weekly and keeping it he invested in San Fernando Valley real estate.

In the Summerland district there are thirty-nine cases under observation; in Penticton and district there are 343; in the Oliver-Osoyoos district there are 176; Kootenai and district, 31, and Princeton and district, 40.

Sugar Beet Firms Depend on Producer, Processor Cooperation

OTTAWA (CP)—Two Canadian companies said today the beet sugar industry entails close co-operation between producer and processor, ensuring a fair break for the consumer.

Manitoba Sugar Company Limited said in a brief to the royal commission on price spreads of food products:

"The Manitoba beet sugar industry involves a unique degree of co-operation between producer and processor."

"The basic nature of the beet contract is such that in several major respects interests of grower and company are common."

CANE COMPETITION

This resulted from the com-

petition between beet and cane sugar, with their entirely different economies.

Canadian Sugar Factories Limited of Raymond, Alta., also said primary producer and processor work in partnership to compete for the consumer's dollar in a tight price market.

"It is remarkable," the Canadian Sugar Factories brief said, "that the highly efficient Western Canadian sugar beet industry has been able to compete and continues to compete against the sugars grown in tropical areas where production of sugar per acre is several times more than that in Canada and labor is extremely cheap."

ENGINEERS STUDY SPEEDIER MONORAIL TRAINS

As streamlined as toothpicks, propeller-driven monorail trains may make this artist's conception a reality in the future. U.S. railroaders are studying plans for the radically designed stream-

liner, which would be slung from an overhead track and shoot along at more than 100 miles an hour. An airplane engine turning the massive three-blade propeller would provide the push.

Liberal Conference to Assess Faults, Future

By HAROLD MORRISON
OTTAWA (CP)—The Liberals, with their political fortunes at their lowest ebb, today began a three-day conference to assess their faults and future and try to pick the kind of organizational talent that will steer them back to the government side of Parliament.

Officially billed as the annual meeting of the 260-member advisory council of the National Liberal Federation, the gathering is more than just a routine affair. It is the first major consultation among the federal and provincial party leaders, and heads of associated groups, since the devastating March 31 election defeat.

PEARSON REPORTS
And it marks the first report on the stewardship of party leader Lester B. Pearson, former diplomat elected to the leadership last January. He heads a band of 48 Liberals in the 265-seat Commons where the Progressive Conservatives have an overwhelming 207 members. The CCF have eight. Two seats are vacant.

But despite the ill winds of March 31, the Liberals are not seeking any switch in leadership at this time. In fact, top officials predict the three-day conference will give Mr. Pearson a strong vote of confidence.

MUST REBUILD
What they seek is powerful organizational talent that can help rebuild the shattered party. Officially the delegates will elect a successor to Federation President Duncan K. MacTavish, 58-year-old Ottawa lawyer who tendered his resignation earlier this year and later suffered a heart attack.

A new president will be chosen along with six regional vice-presidents, but there also likely will be a resolution adopted to bolster the president's hand with the selection of a permanent federation director, a full-time official who would be constantly on the move, applying organizational surgery wherever needed.

PAPER RAISES PRICE
MANCHESTER, N.H. (AP)—The Manchester Union Leader said Sunday it will raise the price of its paper from 8 to 10 cents Monday. "The increased cost of wages and the increased cost of raw material cannot be absorbed by a newspaper and must affect its price," publisher William Loeb said. Loeb said the Union Leader is the 116th U.S. daily newspaper to charge 10 cents.

STURDY RAPS ATTORNEY-GENERAL

Challenges Truth of Bonner's Statement

VANCOUVER (CP)—Lawyer David Sturdy took issue Sunday with Attorney-General Bonner's statement Friday on the Somers bribery case.

He challenged the truth of Mr. Bonner's statement on two main counts and said he would release "further details" today.

The two assertions challenged by Mr. Sturdy:
1. That Mr. Bonner had no substantial evidence on which to base a prosecution until November, 1957.
2. That on Dec. 7, 1957, Charles Eversfield and Mr. Sturdy failed to give him a body of evidence.

Mr. Sturdy said:
"In the first place, all the evidence necessary to prosecution is contained in the Butler RCMP report which Mr. Bonner had in the fall of 1956.
"I have read the Butler report. I have made a complete memorandum of its contents. It is all there."

On the second count, Mr. Sturdy said Mr. Bonner also had "enough evidence" from the 1955 interview with himself and Eversfield.

"I took it to his office in my brief case," Mr. Sturdy said. "I asked him to call a police officer to go through it. And, of course, I left him Mr. Eversfield's statutory affidavit."

"But apart from that, Mr. Bonner talked a long time with Eversfield. He asked him every pertinent question concerning every aspect of the accusations. And Eversfield answered every question."

"Mr. Bonner said then: 'Do you realize that you are accusing a minister of the Crown and four corporations of wrongdoing?'"

"I told Eversfield not to answer that question, but I replied myself that there was strong evidence."
"Mr. Bonner and I then got into an argument about prima facie cases. He insisted that I should have every scrap of evidence, enough to get a conviction."
"I insisted that my evidence was enough to warrant an immediate inquiry."
"The fact is that all evidence at the trial stems from Eversfield's documents and information."
"And he had the whole evidence presented to him in the Somers case, not because of any lack of evidence, but because he wished to protect his colleague Mr. Sturdy said: 'Mr. Bonner refused to act early in the Somers scandal.'"

J.H. Thorp Heads New Fruit Group

A resolution aimed at helping to the apricot and peach grower-peach and apricot growers in the Okanagan Valley has been drawn up here by members of a newly formed committee.

The committee, consisting of growers from Oliver, Keremeos, Osoyoos, Naramata and Penticton, met Friday night and decided the "peach and apricot committee" shall be an elected body empowered to exert effective control over matters relating to the apricot and peach grower-peach and apricot growers in the Okanagan Valley has been drawn up here by members of a newly formed committee.

Airlines Chief to Be Buried in North

VANCOUVER (CP)—The body of Russell Baker, one of a legendary band of air adventurers whose exploits helped open up an empire, is to be returned to the North Wednesday.

Mr. Baker, 49, who rose from bush pilot to the presidency of Canada's third largest commercial air company, Pacific Western Airlines, died in his West Vancouver home Saturday of a heart attack.

Funeral services will be held here at 11 a.m. Tuesday from Christ Church Anglican Cathedral.

His body will be buried in a lone plot at northerly Fort St. James, 100 miles northwest of Prince George Wednesday afternoon.

Mr. Baker started in the airline business from a base at Fort St. James in 1937.

He will be buried on his own property overlooking resort-skirted Stuart Lake. The body will be flown to Vanderhoof, 55 miles south of Fort St. James.

Parliament Should Study Crowsnest Rates

OTTAWA (CP)—Parliament should consider the question of future policy on the low Crowsnest Pass freight rates on grain in the west, a member of the board of transport commissioners said today.

This statement by Commissioner Howard B. Chase, one of the most outspoken statements by a federal official in years on the "Crow" rates, was in an opinion attached to a board decision awarding the railways a general freight rate increase of 17 per cent.

While signing the unanimous five-man judgment, Commissioner Chase added that it is time for a new look at the Crow rates, based on turn-of-the-century levels and applying to export grain movements within the west. They were originally negotiated by the federal government with the Canadian Pacific Railway and solidified by a 1925 parliamentary statute.

HE WROTE
In his opinion, Mr. Chase wrote:

"Since the Second World War there have been seven general increases in freight rates—including the present one—and there is a request for a further increase pending. . . .

"Yet the statutory grain rates and related rates are on the level of 1899.
"I am not suggesting that the statutory rates should be removed from parliamentary control."

"I do, however, with great respect, contend that the time has come for Parliament in the national interest to give this matter careful study and decide what the future policy should be."

38 Lives Lost in Weekend Mishaps

By THE CANADIAN PRESS
Weekend accidental deaths mounted steadily Sunday night and The Canadian Press counting at midnight MST showed 38 persons had died up to that point, 28 of them in traffic mishaps.

The total by provinces, with traffic deaths in brackets: British Columbia 5 (3), Alberta 1 (0), Manitoba 3 (3), Ontario 13 (9), Quebec 9 (7), New Brunswick 2 (2), Prince Edward Island 3 (3), and Newfoundland 1 (1).

There were three deaths in fire, six drownings and an accidental shooting.
The survey covers the period from 6 p.m. local time Friday to midnight Sunday.
